

Ferla Ballet School: Ages 6 to 18

Welcome to the Ferla Ballet School. Ballet levels 1-8 include technique, barre a terre, conditioning, stretch, pre-pointe / pointe, and contemporary / jazz as appropriate per level. Nutcracker group rehearsals from September - December and Student Showcase rehearsals from January - June are also held during class. We offer two participation options in each level. The "A" level is for students who attend all the required hours in their level. The "B" level is for students who are unable to attend the required number of classes per week.

Ferla Ballet School students may register online at www.DTIdance.com for a Level Placement Class. Please contact FerlaBalletSchool@DTIdance.com if you have questions about our tailored pre-professional training with a ballet career focus, ballet for better sport performance or general Ferla Ballet School questions.
